

## **REMARKS**

### **Response to Restriction Requirement**

In response to the Office Action dated April 6, 2006, Applicants elect the claims directed to the invention of Group I (accepting a search term), for prosecution without traverse. Applicants reserve the right to file divisional applications for the non-elected claims.

### **Amendment**

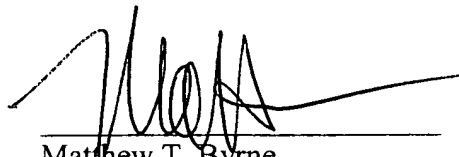

Applicants have cancelled claims 1-73 and 75-93 and submitted new claims 94-138. No new matter has been added by these amendments of the claims, and the claims are fully supported and justified by the original disclosure. New claims 94-138 are drawn to accepting a search term as defined by elected Group I.

### **Conclusion**

All claims are believed to be in condition for allowance, and accordingly a notice of allowance is respectfully requested.

Please consider this a request for any extension of time that may be due, and please charge any fees that may be due in connection with this matter to our Deposit Account 08-0219.

Respectfully submitted,
